Export
Revenue share

Volume Champion

Distributor drives most sales

Margin Leader

Export delivers highest margins

Geographic Insights

Midwest

30% of total sales

California Lead

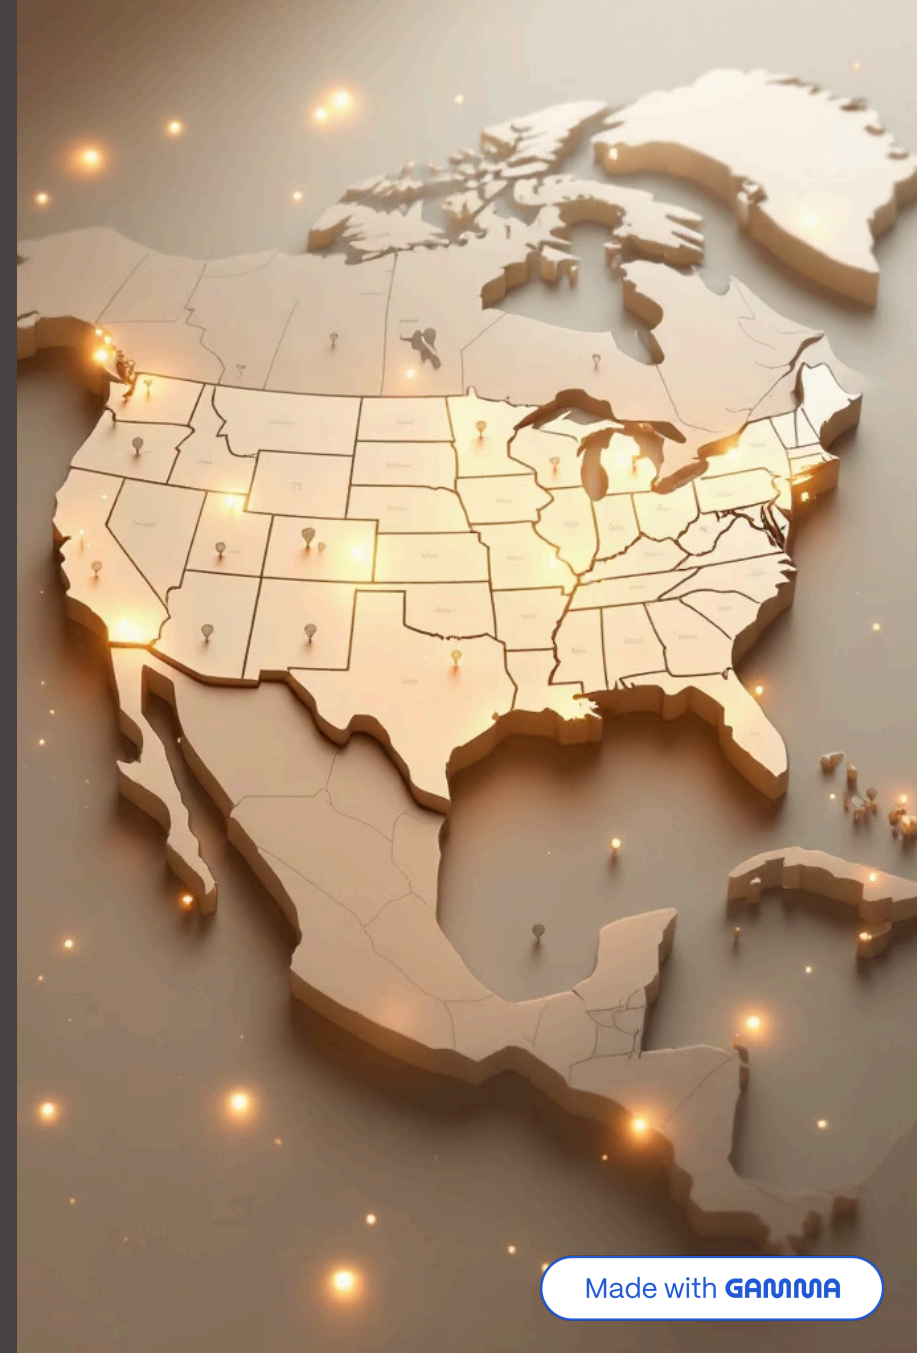

Top state performer

West Region

Strongest overall

Northeast

Untapped potential

Key Business Insights

Strong seasonality in sales

Peak: May-June • Low: January

Pricing drives profit

More than sales volume

Revenue depends on few products & customers

High concentration risk

Regional imbalance

Growth opportunity in Northeast

Strategic Recommendations

01

Seasonal Strategy

Boost campaigns in low months (Jan–Apr)

02

Product Focus

Concentrate on Top SKUs (26, 25)

03

Pricing Optimization

Reduce unnecessary discounts

04

Channel Expansion

Grow Export channel (high margin)

05

Regional Growth

Replicate California success

06

Customer Targeting

Focus on high-margin segments
